MARKET QUOTATIONS

The **ALFALFA SITUATION**

Kansas

Crop Late. Considerable damage done by grasshoppers. Supplies appear very short at this time.

Oklahoma

Crop fair and quality excellent. Very active trade should develop on account of great discount below Kansas seed.

Northwestern

Stocks of Utah, Idaho, Montana, Wyoming and Minnesota seed are completely exhausted. No new crop available until later in September.

Canadian

The only genuinely hardy northern grown seed available at this time. We can highly recommend it as substitute for Northwestern domestic. Canadian is eligible for all premiums paid under the Soil Conservation Act.
